FRENCH RIOTERS MAD WITH RAGE

(Associated Press Cable.)

PARIS, Apr. 12.—The "champanne riots" still continue in the northern departments of Marne and Aube, and the situation has become so critical that the government is rushing troops to the scene from all parts of the country.

Cavalry has repeatedly charged and dispersed the mobs which are growing larger as the excitement increases. Rioting has extended to the department of Marne from its neighboring division, where the disorders first commenced at Bar-sur-Aube. The tricolor has been torn down in various places from government buildings and red flags have been substituted for them. The cabinet officials have been ridiculed and reviled by mock funerals and other expressions of contempt.

RAMON CORRAL IS OFF FOR VACATION

VERA CRUZ, Mex., Apr. 12.—Vice-President Ramon Corral of Mexico, who arrived here today, departed for New York tonight on his way to Europe. He leaves on a vacation of eight months' duration voted him by the Chamber of Deputies at his own request, to recover his failing health. The departure of the vice-president from the government circle which is meeting the revolutionary movement in the north has caused a readjustment in which Minister Lamantour has become the spokesman for the government.

STORM SPEEDS BIG MISSISSIPPI VALLEY

KANSAS CITY, Mo., Apr. 12.—One of the most violent storms experienced in the Central States for years is raging in the basin of the Mississippi. Lines are down all over the country, those reports that can be secured totaling the dead at twenty. Hundreds are injured and emergency hospitals have been instituted in some quarters. Schoolhouses and churches have been blown down all over the affected area.

ROOSEVELT ENDS TOUR.

HELENA, Mont., Apr. 12.—Ex-President Roosevelt ended his Western tour here tonight, departing for the East after a brief address.

PORTUGUESE FOR THE COAST

The shipping offices of local steamship companies are being besieged with applications for transportation to San Francisco by steamers to depart within the next few days or weeks. At the office of H. Hackfeld & Co. yesterday morning a long column of Portuguese, Porto Ricans and Filipinos was lined up before two windows awaiting the issuance of tickets.

A number of these are recent arrivals from the other islands. The Claudine brought some sixty former plantation laborers who boarded that vessel at Hawaii and Maui ports. The steamer Hall, from Kauai, arrived with nearly forty deck passengers. It is predicted that by the time the Pacific Mail steamship Sibberia is ready to sail for San Francisco tomorrow, nearly two hundred steerage passengers will have been supplied with transportation to the coast.

The Oceanic steamship agency has been frequently visited of late, and it is believed that sixty or more steerage passages will be sold before the Sierra is ready to depart for the mainland.

Rodrigues is a Porto Rican and was found unlawfully upon the premises of another. The officers have also booked the man under two charges of larceny in the second degree.

Rodrigues is declared by the officers to be a jail breaker. He has figured in the courts of Hawaii. He is alleged to have stolen quantities of milk, food and also clothing.
